

Dear Voice of Hope Family:

*“The salvation of the righteous comes from the Lord;
He is their stronghold in time of trouble.” Psalm 37:39*

I have been sitting in Psalm 37 today and I am reminded of how God views the works of men. It may only seem that the wicked are flourishing, but their future is very different than yours and mine.

For those who trust, take delight, commit your way and be still before the Lord, this Psalm says that it is the Lord who makes firm the steps of those who delight in Him. Though we may stumble, we will not fall, for it is the Lord who upholds us with his hand.

Thank you for helping Heather and I deliver this message to millions through radio. Each radio station is a missionary voice calling out to a lost world. It is the Holy Spirit of Christ who draws the listener to Himself.

We are entering a season of the Harvest of the Lord. It is a season and it will be a quick work as the Holy Spirit is poured out on all people.

Everyone will have an opportunity to say yes to Jesus in that day as the glory of God reveals itself to the world. It will be the reason that so many fall to their knees and repent of their sins in that moment. The contrast of God's holiness against our own filthy sins, our heart condition, our own belief systems that simply can not stand before the presence of His Holy spirit.

Jesus reminds us that He is the good shepherd and he knows his sheep and his sheep know him. But in John 10:15, Jesus says, *"I have other sheep that are not of this sheep pen. I must bring them also. They too will listen to my voice, and there shall be one flock and one shepherd."*

I believe at least 2 billion people or more have yet to call upon the name of the Lord. They are people who may not know Jesus at this moment but they soon will.

The Church will play a vital role. Our VOICE OF HOPE missionary radio stations will play an important role too in this Harvest. You see, very soon, there will be a need to disciple new believers.

Can you imagine millions of conversions like Paul the Apostle? Turning their lives over to Jesus and then preaching the simple Gospel?

VOICE OF HOPE - AMERICAS

NIGHTWATCH BROADCAST: Hosted daily by John & Heather Tayloe, this evangelistic broadcast has just entered its second year. John & Heather feature prophetic teaching and preaching preparing the way of the Lord Jesus return for His Church.

Thank you for enabling us to be such an encouragement to our listeners at this time, when they need to hear and know the love of God more than ever.

Jesus will not be cheated out of His Harvest. In John 10: 28, Jesus says of the new flock that is coming to Him, *"I give them eternal life, and they shall never perish; no one will snatch them out of my hand. My Father, who has given them to me, is greater than all. No one can snatch them out of my Father's hand. I and the Father are one."*

Yes, these days seem to be fraught with danger and uncertainty, but in the spiritual realm, the battle lines have already been drawn and a war is being waged. Satan wants to rush Jesus into returning before His Harvest is ready. This is the upheaval we see right now to move the time line. But Jesus will have His Harvest!

VOICE OF HOPE - ISRAEL radio station is an End-Time voice that reaches into a population of over 40-million people living in the Middle East with the Gospel of Jesus.

Please pray for our listeners, as many are hearing the Gospel for the very first time and saying "yes" to Jesus.

Thank you for your offerings and generous giving this month that allows us to continue forward with strength! You are a blessing to the work of the Harvest. Thank you in Jesus' powerful name.

Sincerely in Christ,

John and Heather
