Dear Voice of Hope Family:

"I will bless those who bless you, and whoever curses you I will curse; and all peoples on earth will be blessed through you." Genesis 12:3

As I am writing to you, rockets are falling in Israel. Hundreds of drones were launched from Iran to destroy the Jewish people. Just moments ago I received a text from our Voice of Hope radio station manager who said, "Pray for Israel!"

Please do pray for Israel, her people, including the Israeli Christians and Israeli Arabs who live in peace together with the Jewish people in Israel.

I am reminded of Psalm 121:4 which says, *"Behold, He who keeps Israel Shall neither slumber nor sleep."* **Israel is not alone.** She is watched over and held in promise by the God of Abraham, Isaac and Jacob. You see, the protector of Israel is God Himself. Jesus said in John 14:18, "I will not leave you comfortless." And so, the Holy Spirit is within each one who calls upon the name of the Lord Jesus, and is saved.

BLESS ISRAEL

Heather and I stand with Israel and we encourage you to do so as well. Not because we say so, but because God's word is so clear. There is a blessing for the person, people and nation that bless Israel.

We are thankful to the Jewish people for the opportunity to have established together Israel's only Christian radio station. This mighty VOICE OF HOPE promotes peace from the shore of the Sea of Galilee to the world as we proclaim the Gospel message. Please support Israel by supporting the VOICE OF HOPE - ISRAEL. Christian radio for Israel and the Middle East.

The purpose of the VOICE OF HOPE - 1287 AM is for the encouraging and building the Church living in Israel and the Middle East. Our Arabic broadcasts reach Muslims who have never heard the Good news of Jesus and so many are now following Jesus as their Lord and Savior. Rejoice with us over these exciting Testimonies of Jesus' Salvation...

"I have an overarching confidence, bordering on certainty, that as long as there is a God in heaven and that there are Jews on earth, evangelical's in the United States are going to stand with the Jewish people and the State of Israel,"
