STRATEGIC COMMUNICATIONS GROUP

July 2018

Dear Ministry Partner,

*So shall My word go out from My mouth;
It will not return to me empty, but will accomplish what I desire,
and achieve the purpose for which I sent it. - Isaiah 55:11*

POWER OF THE GOSPEL = TRANSFORMED LIVES:

There is nothing so powerful and life changing as God's spoken word! It is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discernor of the thoughts and intents of the heart - Hebrews 4:12. We see the power and effect of God's word everyday as Strategic Communications Group's VOICE OF HOPE radio stations broadcast throughout **Israel, Africa, Latin America** and the **Middle East**.

John and Heather excited to share the impact of VOICE OF HOPE radio!

You see, the VOICE OF HOPE is broadcasting with a promise from God! It is the work of the Holy Spirit as the listener responds, with hope, love, and forgiveness taking root in the deepest part of their heart. God's word firmly planted! A transformed life emerges as *new* in Christ Jesus, His Word having fulfilled that which it was sent out to accomplish!

HOLA CUBA!

This week we received a thrilling message from one of our listeners in Cuba. *"My name is Humberto and with my wife Yurisleidy, I listen to the VOICE OF HOPE (KVOH Los Angeles). I live in the province of Holguín, Cuba. I like to listen to you because you air powerful messages and music that is no longer heard on other stations. I wish you many blessings and that you continue with these wonderful Christian broadcasts."*

MORE THAN A DREAM IN ISRAEL!

Gary Hull, our VOICE OF HOPE station manager in Israel shared this awesome testimony from a former Muslim woman who is now following Jesus as a result of the VOICE OF HOPE in Israel. *"Hi! I am a young lady from a village in Galilee. I would like to share with you something*

that changed my life and gave me courage and boldness, and faith in Jesus Christ... I started listening to the VOICE OF HOPE radio station. I wanted to know more about Jesus. I really wanted to know who He is. I had only a little information about Him. I loved Him even though in the beginning I didn't know who He is."

"I wanted to go deeper in knowing Him. I had a dream. In this dream I was in a church. There was a man behind me who started to pat me on the shoulder and hold my hand. He was telling me that He was God. His face was shining so much I couldn't see Him, just the outline of His body. He kept saying, "Come unto me all you who labor and are heavily burdened and I will give you rest." I had this same dream several times. I didn't know that the words I heard were a verse from the Bible..."

"After reading the Bible a lot, and asking many questions, I realized my decision to believe in Jesus was right. I baptized my children at home. Faith in Jesus brought peace and comfort into my life, even in difficult times. I would like to thank the staff of the VOICE OF HOPE radio for their great effort and for the encouraging message that they share..."

GREATER IMPACT AHEAD:

These strong testimonies are very encouraging to all of us! Your investment of prayer and financial support in Strategic's VOICE OF HOPE radio outreach is well placed. We have entered into a season of Great Awakening and Harvest in the Middle East and around the world. It is most definitely through these two things, *prayer* and *consistent monthly support* that we are enabled to strategically broadcast the Gospel, while building upon the opportunities of expansion for the even greater impact that God is opening for VOICE OF HOPE radio. Your gift this month is important as we look to the Lord for our provision through His people! *Together* we are making a difference in the lives of those who are hearing the Gospel for the very first time. Heather and I are *so thankful* for your love and support that keep us going forward! Thank you dear friends!

AMERICAN FAMILY RADIO will be airing a three-part audio story this week about Strategic's VOICE OF HOPE over their 210 radio stations throughout the United States. American Family Radio is one of America's premiere national Christian radio networks today. John Riley presents the Middle East Report each week and traveled to Israel earlier in the year to visit the VOICE OF HOPE and interview our on air staff. This report gives a first hand view of the powerful outreach and impact of the VOICE OF HOPE and encourages millions of American Family Radio listeners to pray for and support the one of a kind outreach in Israel and the Middle East. We have posted this broadcast on our website: VOICEOFHOPE.COM

Our newest broadcast on the VOICE OF HOPE is In The Word with Michele Telfer. Born to non-Christian parents in Zambia, Africa, Michele grew up in the neighboring country of Zimbabwe. Now living in California, Michele is a student and teacher of God's word and devoted to communicating the two greatest realities of all—the Living Word of God, Jesus Christ, and the Written Word of God, the Bible. In The Word with Michele Telfer will begin airing over the VOICE OF HOPE – AFRICA this summer. Michele's five-minute Arabic devotional is produced in Israel and will be aired over the VOICE OF HOPE – ISRAEL reaching Syria, Lebanon, Jordan and Israel beginning in July. Heather and I believe that powerful and systematic teaching from the Bible is so needed to build up Christians and to disciple new believers. We welcome Michele Telfer and her new broadcast, In The Word.

Our VOICE OF HOPE radio stations are dedicated to proclaiming Jesus to the nations. Please support and pray for the mission outreach as we broadcast into populations of over 2-billion people:

Kathy Kositckek, Judy Niswander and Heather Otis Tayloe host DISCOVERIES IN PRAYER over the VOICE OF HOPE.

PRAYER CHANGES EVERYTHING!

In January, we launched a powerful new radio broadcast over VOICE OF HOPE – AFRICA with incredible reach into over 75% of Africa! In June, DISCOVERIES IN PRAYER expanded its reach to an additional 71 countries over our VOICE OF HOPE – AMERICAS radio station.

“Prayer is a key component in our relationship with Jesus Christ. Communication with Him is a marvelous gift, afforded to us at a great price. It’s our joy each week to share what the Lord has taught us through His powerful Word, share how to pray, offer up meaningful testimony and give an opportunity to invite Christ into their lives through prayer.”

– Heather Otis Tayloe

Heather Otis Tayloe, co-founder of Strategic Communications Group and VOICE OF HOPE, answered the Holy Spirit’s call to ignite listeners into a daily lifestyle of prayer. Praying In One Accord, The Power of Intercession and Praying Scripture are just a few of the teachings. Please pray for Kathy, Judy and Heather as they bring this important broadcast to the nations.

Thank you for your love and for your support for Strategic Communications Group this month! This mission would not be here or effective without your generous help! Thank you dear ones!

In His service,

John and Heather Otis Tayloe
