Dear Ministry Partner,

*“Do not remove the ancient landmark which your fathers have set.”
Proverbs 22:28*

WRITTEN IN STONE

Have you ever heard the statement, “*written in stone*”? Did you know the phrase refers back to that *sacred hour* in our Spiritual history, bound up in its Jewish root system, of when Moses brought the stone tablets down from Mount Sinai, upon which, by God’s own finger, the law was inscribed?

Written on Jerusalem stone, the VOICE OF HOPE – 1287 AM radio station in Israel stands as a testimony of God’s word – established by God to speak Hope and life to millions...

As such, the phrase, rooted in spiritual heritage, holds that far deeper meaning, while carrying with it the cultural understanding that implies “nothing else is as absolute or unchangeable” as something written in stone! This thought penetrated our hearts as recently John and I went and *stood upon* the stone foundation where one of the guy-wires of our antenna system is anchored to the broadcast towers for our VOICE OF HOPE - AMERICAS radio station. Etched in that foundation stone were these words “**For God’s Purpose**” that had been carefully inscribed by my late father, George Otis, at the building of that radio station. Those three words for us are “*written in stone*” not only about this radio station, but for every Gospel work He allows us to be apart.

Yes, those words are etched in cement and declare the reason why we do what we do. Incidentally those wires are bound to the earth beneath it -- while pointed at the heavens! They work *in unison* with one another unto a purpose of delivering God’s word to the nations. My father prayed for and spoke over John and myself as related to his methodology in throwing out the Gospel net as far and wide as he did to the entire world.

Strategic's beautiful VOICE OF HOPE – AMERICAS radio station (KVOH) broadcasting from Los Angeles into Cuba, Mexico, Central and South America and USA. Reaching over 70 nations with this station.

One of my father's favorite verses was "I must work the works of Him who sent Me *while it is day*; *the night is coming* when no one can work." (John 9:4) We're to tell our children and our children's children why those stones are there and to rejoice in what God has given. What are the stones of remembrance in your life?

It's not a far stretch for anyone with open eyes and open ears to see we are operating in dark times, where the spirit of the anti-Christ is

ruthlessly baring his teeth against believers everywhere to threaten, to discourage and to destroy and whose purposes are not God's purposes. Don't give up! Trust the Lord! Take strength in the remembrance of His word to you and what He has done in and through your own family. Those stones of Gods Word remind us whose we are, for whom we work, and unto what purpose we are laboring in these times.

Our mission field is ripe for the harvest and John and I will not give up as we will fulfill the call of the Lord upon our lives by using the powerful tool of radio to reach many with the saving message of Jesus Christ. Please continue to help us to this end. Walk alongside us in prayer. We need you now more than ever! Please be consistent with your financial help as God provides for you.

WHAT'S IN A NAME?

When we named our ministry Strategic Communications Group and our radio stations VOICE OF HOPE – it contained in it purpose, meaning, and an ongoing legacy that cannot be erased or changed because God was there, even in the naming moment, speaking what He wanted to be accomplished through radio, while embracing the newer, social media platforms as well for the kingdom of Heaven to be advanced for *His purposes* and *His glory*.

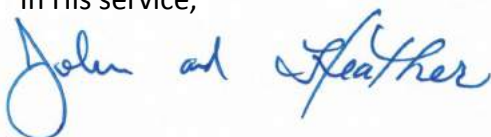

So then, what makes us *shine* for Him in this hour of darkness, confusion and enemy fear tactics and strategies? What keeps us forward thinking in hope as to how better to propagate His Gospel message? Jesus! Jesus is His name! By no other name will His Kingdom advance. So we must hold to His purpose, for His name's sake and maintain an unwavering faith in Him. By holding on to those truths He taught us in His Word through His strength alone His purposes will be accomplished!

Thank you for investing into Strategic Communications Group and for supporting our VOICE OF HOPE missionary radio stations that are working day and night to deliver God's life-changing Word to millions around the globe.

Heather and I will be traveling to Israel this month to attend the Christian Media Summit in Jerusalem hosted by Prime Minister Netanyahu. We will also be visiting Galilee to pray and to work with our broadcast team at the VOICE OF HOPE – ISRAEL 1287 AM. We are praying for and expecting an accelerated Harvest of those responding to Jesus for the very first time in the Middle East.

For the furtherance of His Gospel,

In His service,

John and Heather Otis Tayloe

BEHIND THE SCENES

Christian Media Summit 2018

Prime Minister Netanyahu has invited us to represent the VOICE OF HOPE in Jerusalem at the **CHRISTIAN MEDIA SUMMIT**. Please pray for Heather and me as we travel to Israel mid month and take an active part in the Summit. We expect to be in good company as we represent Israel's only Christian radio station. We have much to report as the VOICE OF HOPE – 1287 AM is making a huge impact in Israel and the Middle East.

Our **VOICE OF HOPE – AFRICA** radio station in Lusaka Zambia reaches over 75% of Africa with the Gospel. For the next two months the local power company (Zesco) is upgrading much of its hardware. We have been given notice that we could have up to several hours each day without electricity. We have a very large diesel generator that we can employ at times like this. However, our diesel tanks are empty and we must purchase diesel in bulk. Each load of diesel is about \$3,000. Thank you for helping us keep our tank full and the Gospel broadcasting to just under 1-billion people of Africa!

Nizar Elaimy (Production Manager) and Haneen Obeid (On Air Minister) of our VOICE OF HOPE – ISRAEL 1287 AM, traveled to Helsinki Finland this month to attend the Key Media Middle East Missions Conference. This is technical gathering giving focus to new mission field technologies, Social Media and updates from Muslim Background Believers living in Muslim countries. This is a wonderful time of training in Social Media tactics and best practices to expand Gospel impact among Muslims in the Middle East and around the world.

“And this Gospel of the Kingdom will be preached in the whole world as a testimony to all nations, and then the end will come.” Matthew 24:14
