

December 2020

Dear Ministry Friends,

*“The heavens declare the glory of God; And the firmament shows His handiwork.
Day unto day utters speech, And night unto night reveals knowledge.
There is no speech nor language where their voice is not heard.
Their sound has gone out through all the earth,
And their words to the end of the world. Psalm 19:1-4*

THAT UNDENIABLE LIGHT!

What sort of *light* could be undeniable, unretractable, uncontested, or an inarguably present lightthat no human element could deny or “debunk” its reality?

What sort of light could be set in place, that regardless of any human intent – could neither be reached, let alone touched or manipulated, in any manner, by human hands? That Light is unmistakably, indisputably the Light of God. But don't take my word for it. “God is light; in Him there is no darkness at all.” (1 John 1:5)

The prophet Daniel tells us in Daniel 2 that God's Light “*reveals deep and hidden things*” and that “*He knows what lies in darkness*” and then writes another marvelous thing, “*....and light dwells with Him.*” Think about that! God's light is not a *plaything*. God's light is *impenetrable*, pure, holy and sure!

Paul wrote letters to Timothy while imprisoned by the government of Rome for his faith. Today we need this powerful encouragement to stand in our faith, and to persevere under all kinds of attacks.

STAR OF BETHLEHEM TO APPEAR!

John and I read in great wonder the headlines from the Daily Mail. It said this...'**Star of Bethlehem' to appear in the sky on Christmas week: Jupiter and Saturn will conjoin together as a brightly-shining 'double planet' for the first time in 800 years.**'

Christmas greetings from Israel and our VOICE OF HOPE radio station staff! Many will come to faith in Jesus in these important days. To God be all Glory!

This phenomenon is called a “*celestial conjunction*” and it will be visible in the night sky on December 21st of this month. Everyone, no matter where you are on Earth, will be able to see this incredible display in the Heavens!

No matter what humankind does below – it is of no consequence to God’s Plan to Speak what He will speak...in the Heavens and on the Earth!

During these very dark days, if you’ve come under any other conclusion that God’s Light is somehow not quite enough, be encouraged! Our God, in His Light, does not grow weary when we feel buffeted on every side. When we enlist Him, He hears and acts on our behalf.

YES, THAT UNDENIABLE LIGHT!

God is Light and His light is penetrating hearts everywhere. His sound and light show is going forth daily from Him. From the Heavens. And through Believers everywhere, sharing the testimony of Christ with their friends and family. Through radio and television. Through Email and social media and the written Word. What a bright light indeed!

Jesus, THE Light. His Star and His Light has been set in the Heavens and it is Undeniable in its Magnitude of Illumination. So this Christmas season, as never before, let’s WORSHIP LOUDLY ONLY HIM! Exalt the Lord our God and worship Him, for He is holy.

VOICE OF HOPE - ISRAEL CHRISTMAS IN THE MIDDLE EAST

In the Middle East, most people have never heard Christmas music or even understand the meaning of the season.

Can you imagine hearing and understanding the profound message of Christmas for the first time? Oh Come All ye Faithful, Away in a Manger, Oh Little Town of Bethlehem, and Silent Night, all presented in Arabic over our VOICE OF HOPE radio station in Israel.

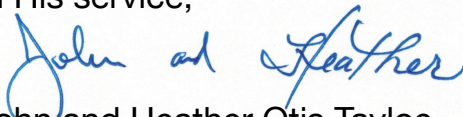

Please pray for and support the VOICE OF HOPE radio station in Israel.

A CHRISTMAS NEED - VOICE OF HOPE ISRAEL

We want to thank you for standing with us in your prayers and generous support. This month of December we need \$58,000 to pay our year end costs obligations for VOICE OF HOPE - ISRAEL. We just don't have it. This is a bit more than our usual monthly budget, as we were presented with our annual broadcast license fee as well as a local municipality tax in the Galilee.

Your help this month is very important. Thank you for allowing us to ask in Jesus name. Please pay and help as the Lord may direct you. We trust God for all our needs, for it is all His! To God be all the Glory!

In His service,

John and Heather Otis Tayloe

VOICE OF HOPE - AFRICA

In November we increased our hours of live presentation over our powerful radio station, VOICE OF HOPE - AFRICA broadcasting from Lusaka, Zambia.

We added a two hour daily block of Swahili programming in the afternoons. Thank you for praying and for standing with us to support this major expansion.

Our two powerful transmitters are doing a great job, but we desperately need the funds to be able to overhaul the air conditioning equipment in the transmitter hall. Please pray and help as the Lord may direct you.

VOICE OF HOPE - AMERICAS

We are very excited about new listeners to our VOICE OF HOPE - AMERICAS radio station broadcasting from right here in Los Angeles! Last week we made a frequency change to take advantage of current shortwave propagation conditions.

As a result, reception throughout North and South America has been phenomenal! Just today we have heard from new listeners in Peru, Argentina, Chile and Uruguay! All glory to God!

The Lord is making our transmitter 'sing' like never before! We count it a great privilege to be able to proclaim His Name in the Heavens and to more than 72 nations hearing this powerful radio station! Thank you for standing with us in all these endeavors.
