Dear Ministry Friends,

***“Whoever dwells in the shelter of the Most High will rest in the shadow of the Almighty. I will say of the Lord, “He is my refuge and my fortress, my God, in whom I trust.” - Psalm 91:1***

As we write to you, a fierce battle is raging throughout our nation and throughout the earth.

Heather and I believe that the Church is in a season of God’s divine preparation for an even greater battle. Right now is a time of necessary reconnection with the Father in the “secret dwelling place of the Lord most high” as described in Psalm 91.

We believe that the season directly ahead will be exhilarating as millions will receive Jesus through an outpouring of the Holy Spirit in these last days. There is a great spiritual awakening taking place. Can you discern it?

***“And they overcame him by the blood of the Lamb and by the word of their testimony, and they did not love their lives to the death.” Revelation 12:11***

**John and Heather Tayloe**

We can hear very definite alarm bells of Heaven ringing as we look to Jesus and to His Word to even better understand the “*signs of the times*” that we are now living in.

As you know, the army of the Lord must be *awake and alert*. We must be hearing from Heaven and listening to His Holy Spirit for direction, guidance and needful resource. It is a time for you and for me to FULLY give ourselves to the Lord and to the work of evangelism.

**TOTAL JULY NEEDS  
VOICE OF HOPE RADIO**

**VOICE OF HOPE - AFRICA**

We need funds to pay our electricity used to power our two powerful transmitters reaching over 75% of Africa with the Gospel. Also, we need to fill our diesel tanks that allow us to run on generator when needed.

**VOICE OF HOPE - ISRAEL**

We must pay our quarterly studio rent in Israel. We are also behind on our electricity and engineering costs and need to get caught up.

**VOICE OF HOPE - AMERICAS**

Lorenzo Martinez is our senior on-air minister. He is out on medical leave, as of today, for the next few weeks and needs our prayers. Also, we are finishing up restoring a large transmitter that is expected to replace our more than 50 year old RCA transmitter. We purchased some needed broadcast tubes that were very costly this month but more people will hear us as a result.

**Our total July Needs: \$35,000**

It is a time for you and for me to FULLY give ourselves to the Lord and to the work of evangelism.

This means within your families and friend groups, online and in line wherever you go. It also means *we are to give focus and priority to Jesus' Great Commission.*

We need to be even more fully invested in taking this Gospel message of Salvation into ALL the world and with even more urgency than ever before!

Heather and I have been called by God to reach the world with God's Word through radio. The Lord has pressed into our hands mighty tools of mass communication for this purpose.

Our VOICE OF HOPE radio stations are reaching millions of people living in Israel and the Middle East, Africa and Latin America. Many are being saved out of their sins, healed, empowered and following Jesus.

**See the exciting testimonies below:**

What an honor to be a small part of the Harvest of the Lord in these days before Jesus' return.

Would you please help us this month with your prayers and with your financial gifts of support?

We need your help to bring in the Harvest of the Lord and we just can't do it without you. Please pray and do whatever God puts on your heart. We depend upon your prayers and support to keep the Gospel message, strategically broadcasting day and night.

Thank you for standing with us this month. We are lifting you up in our prayers as well. We know that every family has been touched in some way and is crying out to the Lord for His strength and provision.

Shalom, Shalom,
