

November 2019

Dear Ministry Friend,

***“He makes winds his messengers,  
flames of fire his servants.” Psalm 104:4***

For the past several days Heather and I have been experiencing both the extreme high winds along with the flames of fire here in Southern California. As a result, our VOICE OF HOPE - AMERICAS radio station was off the air for three days without electricity. Also, in Zambia, where our VOICE OF HOPE - AFRICA radio station broadcasts to 75% of Africa, we have had to reduce our on air schedule to only in the mornings due to electricity rationing because of extreme drought. We could solve this quickly with a financial commitment to run our large generator day and night. Over in Israel, our VOICE OF HOPE - ISRAEL 1287 AM radio station reaching Israel, Syria, Lebanon and Jordan from the Galilee is on the air but we face our last quarter of operating expenses that still need to be paid to continue. This is serious.

**This is the time to join with us in proclaiming Jesus' Salvation through the VOICE OF HOPE strategic radio stations! Let's Harvest together!**

**John and Heather Tayloe**

It would be hard NOT TO LISTEN to what the Holy Spirit is trying to say in the midst of both of the strong voices of His self-described “messengers” and “servants” of fire and wind in Psalms 104. The Lord wants our attention. God’s people are *distracted*. Did you know that if He cannot get your attention one way, He may try another. But, He *will have* our attention.

The enemy of our souls, the ultimate chaos-stirrer of the nations is at work agitating, weaving his disruptive, destructive words and works not only here locally, but his handiwork is seen in our nation and on the global front. For those who are awake and listening, the nations are poisoning themselves and positioning themselves for a brawl. This is his doing. The Lord said it would be so. But what should we, His saints, be doing? His saints should be doing the work of our Father’s Kingdom. God’s work has ever been the same...souls! This is the work of Strategic Communications Group and our VOICE OF HOPE missionary radio stations!

Non-Profit Charity: Strategic Communications Group: IRS# 77-0494520 - In Good Standing since 1998

Early morning in Simi Valley, the start of the Easy Fire. I was servicing our two generators on Chatsworth Peak to power our local FM radio station due to the very high winds. God is good and protected us! Thank you First Responders! Thank you Jesus!

The church has got to get used the word “when” and not “if” so that we can be ready or we’ll find ourselves run-over by the reality of what God said was coming. Stay in your Word and stay in prayer! Luke’s Gospel goes on to tell us, “...Even so, when you see these things happening, you know that the kingdom of God is near. Truly I tell you, this generation will certainly not pass away until all these things have happened. Heaven and earth will pass away, but my words will never pass away.”

May the Lord awaken you to what He will strengthen your hands to do while there is yet time to do it.

Please keep the VOICE OF HOPE missionary radio stations in your prayers. We need your help! Please pray that the God of the Harvest will send laborers to lift up our hands in prayer and financial support! This is an important time to lift up Jesus’ salvation and His Word to the World. **The VOICE OF HOPE radio stations in Israel, Africa and Latin America are very strategic end-time tools of evangelism and discipleship in these days before the return of our Lord Jesus for His Church!**

We need the strength God gives you to keep doing what we do. It is a big calling and we recognize that we are not in it alone, but it takes the body to lift up one another. Likewise, let us know how we can be praying for you that we will be ready and awake WHEN and not IF our Savior returns. We must stay vigilant. Thank you for your love and support as we serve together in the Harvest of the Lord!

In His service,

John and Heather Otis Tayloe  
President and Founders
